- **1.** Select **Training** from the left navigation bar.
- 2. Select QuickBooks Online Certification from the list of courses. This is also the location of the supplemental training guides and self-paced training modules.
- **3.** Select **Take Exam.** Remember, you have 3 tries to pass.
- 4. There are 7 multiple choice sections. Check your work before submitting each section, then submit all sections for grading. You will need 80% to pass each section and only need to re-take sections not passed.

Good luck!
