Get help with error OL-301 or OL-393

Learn how to fix Error OL 301 or OL 393 when trying to connect to your bank or download transactions in QuickBooks Desktop.

A variety of communication issues between QuickBooks and your bank, or a company file issue can sometimes cause OL 301 or 393. But don't worry, we'll help you fix it by checking your bank connection and QuickBooks company file.

Problem Connecting

Chase sent an error message. It might be because your account info changed or they haven't turned on a service, like online bill pay. [Find common fixes for this error](#) or give your bank a call at 1-877-242-7372.
