Payroll Service Alert!

Your QuickBooks Payroll account needs attention.

As of 06/06/2020, we were unable to process your payment for QuickBooks Enhanced Payroll for up to 3 employees, so certain features of QuickBooks Payroll, such as automatic calculation of taxes, have been temporarily disabled.

To continue using all the features of QuickBooks Payroll, you must update your payment information. (For example, if you pay by credit card, be sure the expiration date for the card is current.)

Click **Reactivate Account** to view and update your payment information. (If you have recently made changes, click **Verify Account** to refresh your account information.)
