

Avera Health	Deduction	0.00	Premium Only/125	AVERAHEALTH PLANS	SD860A	24000 - Payroll Liabilities:24001 - Health Insurance Payable
--------------	-----------	------	------------------	-------------------	--------	--

We have tried to change to an expense account and eliminate the liability account on this type transaction. We wanted to remove the liability and instead use an expense account. How do we do this?????

Edit payroll item (Deduction:Avera Health) x

Agency for employee-paid liability

Enter name of agency to which liability is paid:

Enter the number that identifies you to agency:

Liability account (employee-paid):

This liability account tracks deductions to be paid. You can change this account at any time.
