

The screenshot displays a software interface for managing checks. The main window is titled "Green River Checking" and shows a "Write Checks" form. The payee is "BC Tech Group" with an amount of \$131.25. The memo is "Set up VPN & Photoshop on the new JP Pavilion 'Gaming' Laptop". The account is "Office Supplies".

An error message box is overlaid on the top right, titled "Warning". It contains the following text:

```
Failed to open file:

$131.25.pdf"

The specified file was not found.
```

An "Attach File" button in the software interface is circled in red. Below it, an "ATTACH FROM:" window is open, showing a list of attachments. One attachment is listed: "12-31-20 BC Tech Group..." with a date of "1/16/2021 4:30:16 PM". This attachment is also circled in red.
