QuickBooks

**⚠ QuickBooks lets you do this, but it's not a good idea.**

**Here's why:** This transaction is in a closed period. Changing it could affect your previously filed tax returns.

Are you sure you want to change the transaction?

**Actions you can take:**

- To cancel your changes, click No. **(Recommended)**
- If you know what you're doing and want to change the transaction, click Yes.

Yes No
