

Dear Valued Customer,

Good news, the issue you experienced with a missing menu item to launch Fixed Asset Manager has been resolved. Please download the latest updates for your QuickBooks Desktop version by going to QuickBooks go to Help > Update QuickBooks Desktop.

For those using a hosted service like Right Networks, the fix should be automatically applied for you.

Thank you for being patient with us while we worked to resolve this issue.

Check before you click!

QuickBooks will never ask you for personal information in an email.
When you click on a link, the address should always contain "intuit.com".
Don't reply to this email. It was automatically generated.
