

Quickbook Desktop Pro 2020 Browser Support:

The screenshot shows a web browser window with the following content:

- Address Bar:** <https://mycb.columbiabankonline.com/columbiabankonline/upgradeBrowser>
- Page Header:** Columbia Bank logo and the text "Better Community Banking Starts Here | Columbia Bank".
- Main Message:** "Your computer's version of IE 11 web browser is no longer supported by Columbia Bank. Choose one of the following supported browsers to ensure a secure online banking experience."
- Browser Recommendations:** Three columns, each with a browser logo, name, and a "Download" button:
 - Google Chrome:** Includes the Chrome logo and a "Download" button.
 - Mozilla Firefox:** Includes the Firefox logo and a "Download" button.
 - Microsoft Edge:** Includes the Edge logo and a "Download" button.
- RECOMMENDED:** A yellow bar highlighting the Google Chrome recommendation.
- Need help?:** A section with the text: "If you are unable to download or update a web browser, contact Columbia Bank or a tech professional."
- Footer:** "Done" on the left and "Secure web site" on the right.
