

# 1. Before adding new tab

The screenshot displays the QuickBooks Accountant app interface. The browser address bar shows `app.qbo.intuit.com/app/homepage`. The main header includes the company name `EMP001 - Evermore Products CC - Max` and the `Accountant Tools` menu. The sidebar on the left contains a `+ New` button and a `MENU` section with options like `Overview`, `Books review`, `Dashboard`, `Banking`, `Sales`, `Cash flow`, `Expenses`, `Employees`, `Reports`, `VAT`, `Accounting`, `My accountant`, `Apps`, and `More (0)`. The main content area is titled `Get things done` and `Business overview`. It features a `SHORTCUTS` section with icons for `Add customer`, `Add quote`, `Add invoice`, `Receive payment`, `Add bill`, `Pay bill`, and `Track time`. To the right, the `BANK ACCOUNTS` section lists several accounts with their respective balances and review counts.

2. click on new QBO tab

### 3. 2nd new tab run.....and then lead to OUTER page

The screenshot shows the QuickBooks Accountant interface. The browser address bar displays 'app.qbo.intuit.com/app/clients'. The page title is 'Tzu Wei Tsai' with the subtitle 'Buck's clients'. There are tabs for 'Overview' and 'Bookkeeping', and a search bar labeled 'Find a client'. A table lists various clients with columns for 'CLIENT / CONTACT', 'BOOKS REVIEW', 'LEAD', and 'ACTIONS'. The 'ACTIONS' column includes 'Edit client' and a dropdown arrow. A green 'Add client' button is visible in the top right corner.
