

The simple accounting platform trusted by **4.5 million small businesses**

Top 4 reasons to get your business using QuickBooks Online

1 Your Money, Faster

- ✓ Look professional with **customised quotes and invoices**.
- ✓ Take and track partial payments with **progress invoicing**.
- ✓ Stop chasing payments with **real time alerts** when your customers view and pay invoices or setup **automated payment reminders**.

2 Save time tracking expenses

- ✓ Accurately track expenses from your bank account by connecting to a **direct bank feed**.
- ✓ Save time entering expenses with **smart auto-categorisation** of bank transactions.
- ✓ Throw away the shoe box of receipts with **receipt snap and store**.

3 No more pain in the BAS

- ✓ Save time preparing your BAS with **automatic GST tracking** on income and expenses.
- ✓ Stay compliant by reviewing your **BAS summary** or investigating issues with **specialised BAS reports**.
- ✓ Save time and money by **sharing an activity statement report** directly with your accountant.

4 It's payday, the simple way

- ✓ Run payroll in minutes with our **all-in-one payroll solution** powered by KeyPay, fully integrated within QuickBooks.
- ✓ Stay STP (Single Touch Payroll) compliant with **ATO approved STP reporting**.
- ✓ Empower your staff by providing them with access to update leave, timesheets and expenses in the **employee portal or workzone app**.
