

# 6 reasons to choose QuickBooks Enterprise

## 1. Flexible and powerful features

Get real-time insights, work in multiple files, effortlessly manage inventory, and see where your business stands with intuitive features.

## 2. Industry-specific options

Find a scalable solution tailored to your industry needs, whether you specialize in construction, manufacturing, non-profit, or retail.

## 3. Helpful, hands-on support

Get unlimited access to our Canada-based team of experts, here to provide support during and after installation, answer your technical questions or help troubleshoot.

## 4. Transparent, affordable pricing

Customize your Enterprise package the way you want while staying within your business' budget. Get in touch with our sales team today for information on personalized pricing and plans.

## 5. Complimentary resources

Access a library of supportive training videos, in-depth articles, and a community of knowledgeable QuickBooks Enterprise users.

## 6. Regular feature updates

We continue to add new features to meet the needs of your business. Mobile Barcode Scanner, Enhanced Pick, Pack and Ship, and Automated Payment Reminders are just a few examples of the many recent additions to QuickBooks Enterprise.
